ABOUT INDEPENDENT IDENTITY

Independent Identity is a unique day program dedicated to serving adults with profound autism and intellectual and developmental disabilities, individuals with the most significant behavioral needs who are often underserved elsewhere. Through personalized support, skill-building, and community integration, we empower our clients to live with greater independence, confidence, and purpose. With growing demand and a full program, our mission is more important than ever as we work to expand access and create lasting impact for individuals and their families.

Creating Quality Lives Through ABA

ABOUT THE EVENT

The Igniting Independence Gala is an inspiring evening that brings together community leaders, supporters, and advocates for a night of purpose and celebration. Designed to be both elegant and meaningful, the event highlights the impact of Independent Identity through powerful stories, engaging experiences, and opportunities to give. As our largest fundraiser of the year, this evening plays a critical role in sustaining and expanding our programs for the individuals we serve.

- Dinner + Open Bar
- Live & Silent Auctions
- Program + Impact Stories
- Community & Networking

WHY YOUR SUPPORT MATTERS

We are currently at full capacity with a growing waitlist of individuals seeking services. As one of the only programs of its kind in Texas serving adults with autism and IDD with higher support needs, the demand for Independent Identity continues to exceed our ability to serve—making expansion critical.

“For the first time in 46 years, my sister is living with dignity and experiencing a true quality of life.”

- sibling/caregiver

IGNITING INDEPENDENCE GALA

Writing Our Next Chapter

Independent Identity is at a pivotal moment. Our program is currently at full capacity, and the demand for services continues to grow. Every week, families reach out searching for support—and too often, there are limited options available. Our 2026 Gala supports a growth campaign focused on expanding our reach, increasing program capacity, and building toward a future where more adults with autism and IDD have access to meaningful, supportive environments.

Your support helps us move from where we are today to what's possible tomorrow—ensuring that no one is left behind.
